

You know you want to play.

Imagine, you're on a 20 hour flight back from Australia. You're seated in the very last row next to the stinky bathrooms and surrounded by a couple with three adorable but very loud children. Why are you so happy? Because you just scored an upgrade to a 1st class seat after winning a friendly game of Poker against a fellow passenger. Only WinAir offers this kind of service. Book your next flight on WinAir at www.winair.com.

Imagine, you're on a 12 hour flight back from London. You're sitting in coach next to a guy who's snoring like a hog, and a teenage boy who can't seem to stop playing air guitar to his ipod. Why are you so happy? Because you just scored an upgrade to a 1st class seat after winning a friendly game of Battleship against a fellow passenger. Only WinAir offers this kind of service. Book your next flight on WinAir at www.winair.com.

You know you want to play.

Imagine, you're on an 8 hour flight to Panama. You're sitting in coach between a woman who won't stop talking, and an odorous man who apparently forgot to put on deodorant that day. Why are you so happy? Because you just scored an upgrade to a 1st class seat after winning a friendly game of Wheel of Fortune against a few of your fellow passengers. Only WinAir offers this kind of service. Book your next flight on WinAir at www.winair.com.
